NEW YORK LIBRARY ASSOCIATION  
*The Voice of the Library Community*

### About NYLA

The New York Library Association is the Voice of the Library Community in New York. NYLA, established by Melville Dewey in 1890, is the oldest state library association in the country and represents libraries and library workers from around the state.

NYLA advocates for increased funding for libraries and better working conditions for library workers.

NYLA offers a variety of services and programs to meet our members needs ranging from professional development opportunities to member discounts on a range of services and products.

NYLA also recognizes member achievements with scholarships and awards. The NYLA Dewey Scholarship provides \$1,500 grant to seven library science students attending school in New York.

The New Members Roundtable (NMRT) offers new student members the opportunity to network with others entering the library profession as well as provides mentors.

Visit [www.NYLA.org](http://www.NYLA.org) to learn more about what NYLA has to offer.

### About ALA

The American Library Association (ALA) works for students by advocating for increased library funding and ongoing development of the profession. Through our accreditation program, ALA ensures that the training you receive will prepare you for the career you have chosen.

We will help you with resources to find your first job and to remain competitive. ALA student members have access to the best network of career and professional development resources for library staff.

You need more than just classwork to be fully prepared for your career. Joining ALA Divisions and Round Tables is an excellent way to build experience in your specialty, by meeting and working with longtime professionals. Student members can take advantage of ALA resources like resume review services, job placement events, and medical, dental, and life insurance.
