

## **SPECIAL NYLA MEMBERSHIP RATES FOR QUEENS LIBRARIANS**

- Ⓜ The Queens Borough Public Library has partnered with the New York Library Association to offer librarians employed by the Queens Library a **25% discount** on regular membership dues to NYLA.
- Ⓜ The New York Library Association is the voice of the library community in New York. NYLA, established by Melville Dewey in 1890, is the oldest state library association in the country and has over 3,000 members from public, school and academic libraries from around the state.
- Ⓜ NYLA is the only organization dedicated to advocating on behalf of libraries and library workers in Albany. NYLA advocates for increased funding for libraries and changes in state law and regulations that govern the operations of libraries and the library profession.
- Ⓜ NYLA offers a variety of services and programs to meet members needs ranging from professional development opportunities at our Annual Conference and Regional Institutes, to member discounts on a variety of services and products for your personal or professional needs.
- Ⓜ In addition, members receive our regular quarterly newsletter, the NYLA Bulletin, as well as email updates via our Online Membership Center on legislative issues, professional development programs, and awards and scholarship announcements.
- Ⓜ Join your colleagues in helping shape the future of libraries and the library profession in New York State.
- Ⓜ “NYLA is about being invested in the library profession, about connecting with others who feel passionately about their careers and public service.”
