Art Club

Every month we make 1-3 projects based on a theme, a book, or an artist. We read a related story and then talk about what we are making. We show them examples, but encourage them to be creative with their own work!

GIVE THANKS

Miss Jen is thankful for:
- tasty food to eat
- fun books to read
- nice friends and family to spend time with
Impressionism
International Dot Day

To celebrate International Dot Day, we read the story The Dot by Reynolds and then learned about Kandinsky. Like Kandinsky we listened to music while we painted, taking inspiration from his painting, “Squares with Concentric Circles”
