Libraries: Learning for Life

Librarians and libraries are all about learning – literally from infancy to the golden years and beyond. The 2007 NYLA Conference Programmers are delighted to present you with three and a half days of learning opportunities that focus on Libraries: Learning for Life, this year’s conference theme. This theme encompasses every type of library and every librarian, trustee, library assistant, advocate and friend: everything we do is geared towards helping our clients and patrons achieve their learning goals. This year’s conference focuses on providing you with opportunities to reach your learning goals, too. For the first time, there is a President’s Program track of programs that exemplify the conference theme.

NYLA’s sections, roundtables, committees and affiliates worked hard to develop and present a wide range of programming for every level of library professional. Conference programmers were asked to pose these questions about every program idea:

- Does the program excel in content?
- Does it provide something that attendees can walk away with?
- Does it stimulate connections? Does it help colleagues discover others with whom they share similar experiences?
- Is it a program that you yourself wouldn’t want to miss?

Most of all, we want everyone who comes to the Conference to have every opportunity to learn, to network, to make new friends, and to have a good time!

Keynote Speaker
Former Congresswoman Patricia Scott Schroeder
President and CEO of the Association of American Publishers

Exhibits

Visiting the exhibitors on the trade show floor is one of the best ways to find out about up-and-coming technologies and new products. Our vendor colleagues make the conference possible, so please stop by as many booths as you can to thank them for coming and to learn more about their latest wares.

Bountiful Buffalo

You already know that our Buffalo colleagues are incredibly hospitable, warm and fun, but did you know that Buffalo was the winner of USA Today’s “City with a Heart” contest, declaring it the nation’s “friendliest city?” In addition to delightful companions, the rejuvenated waterfront, and a thriving theatre district, Buffalo has many architectural treasures (Frank Lloyd Wright’s Darwin Martin House and Frederick Law Olmsted’s Buffalo Park) and fifty plus private and public art galleries. And where else can you find pierogis, beef on weck, sponge candy, and of course, the original Buffalo hot wings? Don’t forget Buffalo’s professional sports venues and teams (the Sabres! the Bills!). And while in most cities, “last call” is 2 AM, in Buffalo you can party until 4 AM. Stay out late at local nightlife districts in the Allentown area and Elmwood strip.

Welcome to Buffalo!

Keynote Speaker – Patricia Schroeder
Thursday, October 18
9:30 AM – 11:00 AM
BNCC Ballroom

Former Congresswoman Patricia Scott Schroeder is President and Chief Executive Officer of the Association of American Publishers (AAP), the national trade organization of the U.S. book publishing industry, a post she assumed on June 1, 1997. Mrs. Schroeder left Congress undefeated in 1996 after representing Colorado’s First Congressional District (Denver) in the United States House of Representatives for 24 years. For a brief period of time in 1986, she considered running for President but withdrew for lack of funds despite the fact that she ranked third in a TIME magazine poll.

From January to June 1997, she held the rank of Professor at the Woodrow Wilson School of Public and International Affairs at Princeton University. In addition to heading the AAP, Mrs. Schroeder also serves on the Marguerite Casey Foundation Board of Directors and the American Bar Association’s Center for Human Rights Executive Committee. She also serves on various advisory committees dealing with literacy and issues affecting children and women.

Born in Portland, Oregon in 1940, Mrs. Schroeder graduated magna cum laude in 1961 from the University of Minnesota while working as an insurance claims adjuster to support herself through college. Mrs. Schroeder went on to Harvard Law School, one of only 15 women in a class of more than 500 men.

She earned her J.D. in 1964 and moved to Denver, Colorado with her husband, James, who in 1972 encouraged her to challenge an incumbent Republican for the House seat representing Colorado’s First Congressional District.

The mother of two young children at the time she was elected to the House, Mrs. Schroeder went on to serve 12 terms. During her tenure in the House, she became the Dean of Congressional Women, co-chaired the Congressional Caucus on Women’s Issues for 10 years, and served on the House Judiciary Committee, the Post Office and Civil Service Committee, and was the first woman to serve on the House Armed Services Committee. As chair of the House Select Committee on Children, Youth and Families from 1991 to 1993, Mrs. Schroeder guided the Family and Medical Leave Act and the National Institutes of Health Revitalization Act to enactment in 1993, a fitting legislative achievement for her lifetime of work on behalf of women’s and family issues. She was also active on many military issues, expediting the National Security Committee’s vote to allow women to fly combat missions in 1991 and working to improve the situation of military families through passage of her Military Family Act in 1985.

A leader in the cause of education and a champion of free speech, Mrs. Schroeder was never a single-issue candidate. As Ranking Member of the House Judiciary Subcommittee on Courts and Intellectual Property, she was one of the most knowledgeable members of Congress on copyright issues and a strong advocate for protecting intellectual property rights and for reinforcing the creative incentive for developing intellectual property. She continues this advocacy in her leadership of AAP.

Mrs. Schroeder is the author of two books: Champion of the Great American Family (Random House, 1989) and 24 Years of House Work...and the Place Is Still a Mess (Andrews McMeel, 1998). She is in the National Women’s Hall of Fame and the Colorado Women’s Hall of Fame.

Preconference Continuing Education Workshops

Wednesday, October 17, 2007

NYLA’s Continuing Education Committee (CEC) coordinates the presentation of these in-depth programs. The topics require more time and attention than is possible in the standard conference program format. We believe you will find the programs offered this year to be enticing and exciting.

Immerse yourself in a full day presentation, or enjoy a half day program in either the morning or afternoon sessions. The schedule also allows for participation in both morning and afternoon programs.

**CE A: Essential Public Speaking Skills for Librarians**

**10:00 AM – 1:00 PM / PLS / .3 CEU credits**

*Hyatt / Regency A*

This three hour interactive workshop focuses on developing public speaking competency for the librarian who must deliver the typical professional speech. Its goal is to impart competency quickly. Participants will pick up the essentials by doing training exercises during the workshop; they will be able to use the experience immediately. The workshop will address the following three areas of concern:

- **Speech Anxiety:** The Worse the Better
- **Vocal and Visual Aspects of Delivery:** Just Don’t Do These but Do These Well
- **Extemporaneous Speaking:** Deliver a “Real” Speech instead of a Robot’s Speech

Each session is interactive (participants will do training) and will include effective tips.

**Speaker:**

*Dr. Andrew Sachs*, University at Buffalo—Department of Communication

Dr. Sachs is an internationally known expert in public speaking. He has provided private consultation to three former United States Presidents and has taught communication for 23 years. He most recently spent the fall semester of 2006 in Singapore as a communication professor for UB’s Department of Communication through the Singapore Institute of Management.

**CE B: Oh No, Not Another Assessment Project?!: How Do You Keep People Motivated to Participate and to Care about Outcomes Assessment?**

**2:00 PM – 5:00 PM / CEC / .3 CEU credits**

*Hyatt / Regency A*

Outcomes must be measured and described. Yes, there are rewards in the improved services and enhanced camaraderie that come from doing things right. You’ve had the training, or know where to get it. But, if you haven’t been able to get it going, or keep it going, what might be getting in your way? A psychologist and a library manager talk about motivation among personnel. Learn how to understand what motivates people to excel in the workplace. The discussion will range from the psychology of motivation through to the practical applications for library supervisors.

**Speakers:**

*Maureen Lindstrom*, Buffalo State

Maureen has worked in E. H. Butler Library as the Distance Education Librarian, the Electronic Services Librarian and as Head of Circulation. She is currently the Associate Director for Information Commons, an area that provides the campus community with a full range of services and assistance including computer training classes for faculty and staff, research assistance, a writing support desk, circulation and reserve, hardware and software support, ID cards, bus passes, printing and photocopying, library instruction, interlibrary loan and special services. Maureen holds a B.A. from SUNY Binghamton and an M.L.S. from the University at Buffalo. She has also served as a visiting lecturer at the Department of Library and Information Studies at U.B.

**CE C: Maximizing the ILLiad Interlibrary Loan System: Extending Resource Sharing a Step Further**

**2:00 PM – 5:00 PM / CEC / .3 CEU credits**

*Hyatt / Regency C*

In our world of increasing prices and shrinking budgets, interlibrary loan is a library lifeline. The winners of the Capital District Library Council’s Interlibrary Loan Award tell how use of the automated ILL system, ILLiad, revolu-
tionized resource sharing at the Sage libraries and then how they scaled it into a regional consortium. They will share information on the skills needed to run the system from both technical and personnel perspectives. They will relate the pitfalls encountered and solutions devised in setting up and then expanding the system to multiple other libraries. They will explain what partners in a consortial arrangement for ILL should expect, and will reflect on future prospects for resource sharing and community building between both ILLiad and non-ILLiad libraries.

Speakers:

Christopher White is the Systems Librarian at The Sage Colleges and is a member of the Regional Automation Advisory Committee for the Capital District Library Council. Chris has his B.A. from Ohio State University, and his M.L.S. from Louisiana State University, where he also worked. He is the social science and philosophy departmental liaison at Sage and is currently chair of the college’s Committee on Academic Information Technologies.

Chris and Andy won the 2006 Interlibrary Loan Distinguished Service Award, given by the CDLC in recognition of exceptional achievement, leadership or innovative contributions to interlibrary loan and document delivery. They also shared in the NYLINK annual achievement award in 2006.

**New Ways of Collaborating**

The afternoon session will delve deeper into social networking tools that are available and how they can be used by libraries to collaborate with patrons, staff members and other colleagues. Specific collaboration tools will be demonstrated. We will also discuss how the tools can be combined (mashed up) in order to create distinctive user experiences. The day will end with the group brainstorming how to introduce some of these tools at their institutions.

Author! Author!: PLS Celebrates New York Literature
Featuring Jeffery Deaver Thursday: 4:30 - 7:00 PM (Tour: 4:30 – 5:15 PM / PLS Author! Author! 5:15 – 7:00 PM)
Sponsor: PLS

The Public Libraries Section’s Author! Author! has become an annual tradition for many conference attendees, a yearly celebration of the best of New York’s literary talent in a unique historical and architectural setting. This year’s Author! Author! promises to be an especially memorable one, as we welcome legendary master of mystery Jeffery Deaver to the Buffalo and Erie County Historical Society for an evening of history and thrills.

The author of twenty-two novels, Deaver has been nominated for six Edgar Awards from the Mystery Writers of America, an Anthony award, a Gumshoe Award, and is a three-time recipient of the Ellery Queen Reader’s Award for Best Short Story of the Year. In 2001, he won the W.H. Smith Thumping Good Read Award for his Lincoln Rhyme novel The Empty Chair. In 2004, he was awarded the Crime Writers Association of Great Britain’s Ian Fleming Steel Dagger Award for Garden of Beasts and the Short Story Dagger for The Weekender. Translated into 35 languages, his novels have appeared on a number of bestseller lists around the world, including the New York Times, the London Times and the Los Angeles Times. The Bone Collector was a feature release from Universal Pictures, starring Denzel Washington as Lincoln Rhyme. A Maiden’s Grave was made into an HBO film retitled Dead Silence, starring James Garner and Marlee Matlin.

His most recent work, The Sleeping Doll (June 2007), is a dark and multilayered psychological thriller about a vicious killer’s escape from a California super-prison and the mysterious and deadly quest he embarks on once he’s free. Making her first appearance in The Cold Moon (2006), special agent Kathryn Dance—a brilliant interrogator and body language expert—stars in The Sleeping Doll, where she and her partners at the California Bureau of Investigation hunt down escaped killer Daniel Pell, a self-styled Charles Manson. Deaver’s most frightening villain to date, Pell is a master of control, who mesmerizes, seduces, and exploits people for his own murderous ends. To track down Pell before he destroys more lives, Kathryn Dance must enlist the help of people from the killer’s past: the three women who lived under his sadistic sway in the cult he once headed, as well as the young girl known as The Sleeping Doll, the only survivor of Pell’s family’s slaughter at Pell’s hand. Filled with masterful plot twists: Jeffery Deaver creates plots with so many twists and turns they could “hide behind a spiral staircase” (People), and The Sleeping Doll has Deaver’s trademark twists in spades. It is guaranteed to keep readers guessing right up to the breathless end.

The Buffalo and Erie County Historical Society’s grand building was built for use during the 1901 Pan-American Exposition. A guided tour of the Society’s collection will take place from 4:30 PM – 5:15 PM, followed immediately by the PLS Author! Author! event. A sit-down meal of gourmet finger foods will be offered, and Jeffery Deaver will sign books both before and after the festivities.

This is a ticketed event. Tickets for Author! Author! (Historical Society Tour included) will be $35. Please see registration form. Tickets for the Tour alone will be $7, and will be available on site at the Historical Society. Shuttle bus service will be available to and from these events, with stops at the Vitality Fund event.

**YSS Empire State Award Luncheon**
**BNCC Ballroom**

Join YSS as we present the 2007 Empire State Award for Excellence in Literature to Young People to Joseph Bruchac. We are honoring a poet, author, editor, professional storyteller and scholar of Native American culture. Mr. Bruchac, of Abenaki, English and Slovakian descent, has found his Native American heritage to be a great source of inspiration. In Native American cultures stories always have lessons. The best ones, he thinks, tell people how they should act toward the earth and toward each other. They “contain knowledge that, like an elder’s voice, can help guide a young person along a trail on which his or her feet have never been.” From *Thirteen Moons on Turtle’s Back* (with Jonathan London) to *The First Strawberries*, *The Great Ball Game*, *Children of the Longhouse*, *The Arrow Over the Door*, *Pushing Up the Sky*, *How Chipmunk Got His Stripes* (with James Bruchac) to *Code Talker*, we see these themes and how they resonate with young people.

With the work he has done with Michael Caduto, *Keepers of the Animals, Keepers of the Earth, Keepers of Life, and Keepers of the Night* he has given an ecological gift of stories and activities to librarians and teachers.

Mr. Bruchac will be joining us from his home in Greenfield Center, near Saratoga Springs to accept this award and give a speech. A book sale and signing will take place after the luncheon.

This is a ticketed event. Tickets are $24.00 per person. See registration desk for details.

General Information

Badges
To ensure admittance to programs and exhibits, NYLA requires you to wear your badge while attending conference events. If you lose your badge, a replacement will be provided for $1.00.

Child Care
Information on local child-care options (i.e. a listing of local bonded babysitters or other "outside contractors") may be obtained by contacting your hotel.

Exhibit Fast Passes
People who want to see the exhibits without registering for the conference must purchase an exhibit fast pass at the conference registration desk. Daily exhibit fast passes cost $10.

Future NYLA Annual Conferences
2008 – November 5-8, Saratoga Springs, NY
2009 – October 12-17, Niagara Falls, NY
2010 – November 3-6, Saratoga Springs, NY

Houses of Worship
Information on area churches and temples may be obtained at the front desk of the hotel.

Internet Café
An Internet Café will be available to allow conference participants to access and send e-mail. Please check the Final Conference Program for exact times and locations.

Local Information
Members of NYLA’s Local Arrangements Committee will be available during NYLA registration hours to provide information on local restaurants, sites and services. Please see tour and local information included in this program. Visit: www.buffalocvb.org

Message Board
A message board will be located near the NYLA conference registration desk and used by NYLA staff to notify conference participants of schedule and meeting room changes. Conference participants may also post messages.

NYLA Gift Shop
Plan to shop at the NYLA Gift Shop for books, publications, note cards and much more! Profits from the sale of gift shop items help support the New York Library Association’s general programs.

NYLA Membership Application
Are you a NYLA member? A personal NYLA membership application is included in this program. If you are not a member, join now to take advantage of substantially reduced member conference registration rates.

Observers at Meetings
NYLA welcomes observers at committees and board meetings. Please: (1) notify the committee or board chair in advance that you plan to attend, (2) keep in mind the obligations of the committee or board to transact NYLA business, and (3) be aware that space restrictions may limit the accommodations of observers. Conference registration is required.

Parking
The Hyatt Regency Buffalo does not have its own parking facility, however, off site parking is available across the street. The cost is $6 per day with no in/out privileges. If in/out privileges are requested and available, parking is $12 per day. Simply see the Front Desk for details.

The Comfort Suites has complimentary parking that is approximately two blocks from the hotel.

Parking details for the Buffalo Niagara Convention Center, complete with locations and pricing, can be found at: www.bfloconvcenter.org/parking.html

Refunds
Written requests for Conference, Continuing Education workshop, or NYLA Leadership & Management Academy refunds must be postmarked or faxed by September 1, 2007. An administration-processing fee of $50 will be deducted from the amount refunded ($15 for CE Workshops only). NYLA will honor requests for refunds which are received by the stated deadline, and will retain only the administration-processing fee. After the deadline has passed, no refunds will be issued. Instead, the registration amount, less a $50 administration-processing fee will be credited toward the Conference or Institutes in the next calendar year only. No credit or refund will be issued for unused credit. If the recipient fails to attend the subsequent conference or NYLA Institute before the close of the following calendar year, no refund will be made and no further credit given. The credit is non-transferable. Refunds will be processed as promptly as possible after the close of the conference. Refunds will not be offered for Full Program Unemployed Librarian, Full Program Library Student and Single Day Library Friends registrations.

In fairness to all attendees, registrants who do not attend the conference will be liable for their entire conference fee. Full refunds (no service charge) will be made if a CE Workshop and/or special event is cancelled or closed out.

NYLA develops professional Continuing Education Workshops, and in the event a speaker is unable to present the workshop, every effort will be made to obtain a qualified substitute.

In the case of a substitute speaker, refunds will not be given, however, registrants may opt to switch to another Continuing Education Workshop as space allows. Notification of speaker changes will be posted on the NYLA Web site and NYLINE.
### Safety Tips

**Do:**
- Keep a list at home of the credit cards and identification you plan to take with you. It will be hard to count on your memory if these items are lost.
- Carry with you the name, address and telephone number of an individual to contact in case of an emergency.
- Be sure to carry a card describing any medical difficulties.
- Take as little cash as possible. Carry traveler’s checks and credit cards to cover your expenses.

**Do Not:**
- Display large amounts of cash when paying for taxis, tips, etc.
- Leave luggage unattended. Keep it in full view at all times. If your hotel room is not available when you check in, see the front desk of the hotel.
- Wear your name badge on the street.

### Smoking

The NYLA Council has established a policy prohibiting smoking in meeting rooms where NYLA conference programs and events are being held.

### Tax Deductible Expenditures

“Tax deductions for educational expenses,” Treasury regulation #1.162.5, permits an income tax deduction for educational expenses (registration fees and cost of travel, meals and lodging) undertaken to (1) maintain or improve skills required in one’s employment or other trade or business or (2) meet express requirements of employment, job status or rate of compensation.

If you are employed by a not-for-profit organization and wish to have your room tax waived, payment must be made by the institution’s check or credit card claiming tax-exempt status and a copy of the organization’s tax exempt form must be presented to your hotel prior to or upon check-in.

### Ticket Exchange Service

The New Members Roundtable offers a free ticket exchange service during the NYLA conference. Registrants having tickets to events they will not be using may donate them at the NMRT booth in the Buffalo Niagara Convention Center. Donated tickets are available to conference participants who contact NMRT on a first-come, first-served basis.

### Ticket Sale Policy

Following an agreement of the NYLA Conference Advisory Committee in December 1990, a limited number of tickets may be purchased by conference registrants for conference events.

For events occurring between 8:00 am and 6:00 pm, a registrant may only purchase two tickets (one in addition to registrant’s own). Additional tickets are unlimited for the following:

- NYLA’s Inaugural Banquet and Award Ceremony and the Vitality Fund Event.

### Vitality Fund

The annual Vitality Fund Event is held to raise money for the NYLA Vitality Fund, established by NYLA Council to ensure the economic stability of NYLA. Vitality Fund contributions will be accepted at the NYLA conference registration desk or at the Vitality Fund Event, Thursday, October 18, 2007.
