LIBRARY MINI GOLF CAN BE HARD TO EXPLAIN, LET US SHOW YOU INSTEAD

Friends of the Library
6th Annual Library Mini Golf

2019 MINI GOLF

- Our course has 9 holes. We hope to have 18 sponsors each year.
- We are open to golfers of all ages & abilities. Everyone is given the option to play 9 holes for \$3 or play 18 holes for \$5.
- 2019 attended by 350 people (paying players & spectators).

HOW WE GOT STARTED

- Started in 2012
- Originally rented the 18 hole course from Library Mini Golf Company for \$2,900.
- We ran the event through the entire library (both floors) for two days.

BUILDING OUR OWN COURSE

- In 2015 a patron volunteered to build a course for us!
- We started in 2016 with 9 holes .
- All the labor was donated but the Friends paid for the materials (\$910).
- Owning the course created new challenges and added to the time and labor involved.

PREPARING FOR GOLF

- 3 months before event: Form a committee
- 2 months before event: Solicit local businesses to be sponsors
- 1 month before event: Design a scorecard with sponsor logos, create flyers, press releases and social media campaign
- 1 day before event: **MANY** Friends come and bring the equipment in from storage. Then we begin assembly and laying out the course.

TIME TO TEE OFF

- We run our event on the same weekend in February each year. We offer open golf during regular library hours on Friday and Saturday.
- We need a minimum of five volunteers on during the event.
- Volunteers collect admission and hand out scorecards, provide clubs, sell concessions and monitor play on the course.

WHAT ABOUT THE MONEY?
