Libraries as a Digital Creation Hub

Austin Olney, White Plains Public Library
Jim Leftwich, Berkeley College Library
Z Baird, Yonkers Public Library
2014 Summer Digital Media Workshop

Over the course of July 2014, Global Ambassadors is running a digital media workshop for middle and high school students at the White Plains Public Library! Ambassadors Raina Kadavel and Nicholas Chiappari will be familiarizing the students with the React News process, including everything from how to use the TriCaster, teleprompter, lights and cameras, how to compose a story, write a script, set up and conduct interviews and put completed episodes together. Each 2-week session will produce four or five React News episodes telling unique stories, both local and global, chosen and composed by the students themselves! Check them out below!

Episodes

Session I

Farmers Market
New NY Bridge
The Forbidden City
World Cup

Session II

Cyber-Bullying
The Water Challenge
Service Dogs
CharityMiles
TV Camp Summary

Our Process

“Green Screen Video Making”

Thu, April 24, 3:30pm – 4:30pm

Ever wonder how they created special effects in The Matrix? Many of today’s special effects are created through what’s known as chroma key compositing, aka using a “green screen.” Come see for yourself and make a video of your very own.

For Teens. No registration required.
