

Unemployment Insurance for Nonprofits

What is unemployment insurance?

Who pays for it?

How much does it cost?

How are costs calculated?

What's the best funding option?

How will costs change in 2017?

Get answers to these and other questions at a **FREE** webinar exclusively for New York nonprofit organizations! —*Including information on protecting your organization from the risks & threats of data breach.*

As a 501c3 nonprofit organization, you have options when it comes to financing your unemployment obligation to your former employees. New York Library Association partner, First Nonprofit Group (FNG), has helped nonprofits save an average of 31% on unemployment costs since 2011! Register for this free webinar to learn more:

Tuesday, September 13, 2016 at 2:00 PM Eastern

Who should attend?

Nonprofit executives from 501c3 organizations with 10 or more employees who are looking for a solution to their unemployment tax obligation. Already reimbursing (self-insured)? No problem! FNG programs will minimize the risk associated with being a self-insured employer, provide a fixed annual cost and remove the uncertainty of your exposure. Start your due diligence now so that you're all set by the December 31st state conversion deadline!
