FLS Daniel W. Casey Library Advocacy Award

The Friends of Libraries Section (FLS) of NYLA offers this annual award to honor a volunteer member or group within the library community whose efforts have contributed to the growth of libraries or Friends organizations.

The FLS Casey Award recognizes not simply good work on behalf of libraries but recognizes the people who go above and beyond what is asked of them. They see a need, focus on a challenge, share goals and commit to exceptional community service.

About the Award:

The recipient receives a plaque or other suitable award engraved with the recipient's name and year of the award. In addition, the Friends of the Library group with which the individual or group is associated will be given a one-year organizational membership in FLS. If an FLS Friends group membership is already in place, it will be extended by one year.

Why is the Award Named for Dan Casey?

The Scholarship is named in honor of Daniel W. Casey, who was known as Mr. Library for his tireless advocacy on behalf of libraries at international, national, state, county and local levels.

Dan paved the way for libraries in legislative and other government offices with his persistence in stating his belief in libraries and in better library services. His involvement in libraries began with his appointment to the Solvay Public Library's Board of Trustees in 1954, later becoming its President. From that beginning, he went on to serve with the New York State Association of Library Boards (NYSALB) and the American Library Association. He was named a Councilor Emeritus and an honorary Life Member of the New York Library Association.

Dan served on several statewide library committees under Governors Hugh Carey and Mario Cuomo. Presidents Richard Nixon, Ronald Reagan, and George H. W. Bush named him to the US Commission on Libraries and Informational Services. In 1988, Dan was appointed chair of the Commission.

Dan also gave his service to other boards including the Onondaga County Public Library, Central New York Resources Council, Syracuse University Library Associates and the Empire Friends Roundtable (EFR).

In 1995, the Empire Friends added to the many awards Dan had received by a posthumous presentation of the EFR "Library Advocacy Award" and renaming it the Daniel W. Casey Library Advocacy Award to honor the memory of someone who worked as an effective library advocate for 41 years.

Application Process and Award Criteria:

Recipients are chosen annually based on the following:

- A completed nomination form is submitted, along with supporting materials, to the FLS Casey Award Coordinator via email by the nomination deadline of June 1.
- Nominations may be submitted by a library director, Friends group, or individual associated with the library and nominee. Nomination packets can be found at www.NYLA.org/Friends > Awards and Scholarships.

Nomination forms are reviewed and rated on the following criteria: communication skills; creativity; cooperation with staff, trustees, and if applicable, Library Foundation; due diligence and oversight of nonprofit status; advocacy; inspiration; leadership; outreach; community relations; and marketing or promotion of the group.
- Nominators will be notified of the status of the award application in late summer.

Additional Details:

The award is announced at the FLS Annual Membership Meeting, held virtually, in November. Nominators/Recipients may choose to have the award presented at that event or at a local event. The nominator is responsible for any local award presentation event and will attend to any details. An FLS representative will attend a local presentation whenever possible.
