

Friends of Libraries Section

The mission of the Friends of Libraries Section is to promote and inspire local Friends groups in libraries of all types for the betterment of New York State's library community.

FLS Randall Enos Conference Scholarship

The FLS Randall Enos Conference Scholarship will provide financial assistance for two members of the Friends of Libraries Section, who are also members of a Friends of the Library group at any type of library in NYS, to attend the NYLA Annual Conference. One scholarship will be for an individual attending for the first time and a second for anyone wishing to go regardless of how many conferences previously attended. These scholarships will be offered in odd-numbered years.

The scholarship is named in honor of FLS President Emeritus Randall Enos, a founding member of the Empire Friends Roundtable (EFR) established in 1992 and the precursor to FLS. Randy served as EFR President for six terms and has been a continuous member of both EFR and FLS. His dedication to the library community and support of Friends of the Library groups across the state is exceptional. He was the Youth Consultant at the Ramapo Catskill Library System in Middletown, NY from 1982 through his retirement in 2019 and he was recognized with the NYLA Outstanding Service to Libraries Award in 2000.

What will the scholarship cover?

The FLS Randall Enos Conference Scholarship will reimburse costs associated with attending a NYLA Annual Conference including conference registration, travel, and lodging up to a maximum amount of \$500 for each recipient. This scholarship will be awarded in odd-numbered years, alternating with the FLS Dewey Fellowship offered in even-numbered years.

In addition, the recipients will be entitled to attend a pre-conference continuing education workshop sponsored by the Friends of Libraries Section at no charge.

The FLS Randall Enos Conference Scholarship recipients are chosen based on the following criteria:
