Excellence in Library Service Award

The Suffolk County Library Association and its Executive Members proudly present the Excellence in Library Service Award (ELSA)

Your association recognizes and appreciates our most valued resource... people.

We value the service, pride and creative talents that people at all levels of our membership share during their workday with fellow staff and patrons. This includes librarians, clerical staff, pages, maintenance and security working toward a common goal: connecting people with the information and services they need. SCLA promotes county-wide professionalism in library service, and we invite you to participate in this award process by nominating one of your outstanding colleagues for this honor. Library patrons are encouraged as well to nominate a library staff member who embodies these qualities.
