3. Treasurer’s Report
   a. June Monthly Statement
   NYLA Treasurer Kelly Harris noted that there is not a financial statement available this meeting, due to the changeover in bookkeeper, but a financial statement will be given in advance of the meeting at NYLA Annual Conference on Wednesday, November 2, 2022.

   AnnaLee stated that normally the audit results for the previous fiscal year are presented at conference. Due to the change in auditing firms, we were slightly behind schedule and the audit will not be complete until the end of November. AnnaLee also informed Council that she had distributed fiscal year-end statements, with balances, transactions, and net activity to all of the Sections and Roundtables today.

4. Unfinished Business
   a. Bylaws Updates
   NYLA President Beth Merkle reported that Barb Stripling had been waiting to hear back from NYLA’s legal counsel on one last point of clarification on the Bylaws that had been updated. The lawyers have finished their review and returned the draft to us. Beth will send the track changes version around to Council and will ask for an electronic vote to approve them in advance of the Annual Membership Meeting at Conference in November. Once Council has approved the update, it will be posted online for membership review, and there will be a vote for approval by membership at the Annual Meeting.

f. NYLA Council Representative Terms

AnnaLee raised an idea for discussion, regarding the length of Council representative terms. While the at-large, elected members of Council serve for 3-year terms, currently the Sections each get to decide what length their representatives will serve for, and those terms vary between 1 and 3 years. Having 1-year terms leads to a lot of turnover and a loss of institutional memory during the transitions. AnnaLee proposes that all Sections appoint a Council representative for 3 year terms, and that in the first years there would be a process to stagger the terms so that each year, one third of the Council would turn over. AnnaLee requested that the Council representatives for each Section speak with their groups regarding this proposition so that Council can vote on the idea at the November 2 meeting.

6. President’s Update

Beth Merkle reviewed her activities since the August 4 Council meeting, including work on conference planning and the committee appointment process.

7. Executive Director’s Update

AnnaLee Dragon reviewed her activities since the August 4 Council meeting, as listed in her attached written reports. Additionally, AnnaLee mentioned that ULU is applying to be eligible for a 2nd round IMLS Grant around their work on trauma in urban libraries and has asked NYLA again to be a financial sponsor in the process. It would be about $150,000 grant if they are successful, but it is very early stages at this point.

8. Legislative Update

AnnaLee reviewed Briana McNamee’s written report. Cassie Guthrie has taken a new position outside of libraries, and had to resign her NYLA positions, including that of Chair of the Legislative Committee. Ron Kirsop has been appointed to serve as Interim Chair and will be eligible for full appointment to the position at the November Council meeting.
9. Review / Adjournment

**MOTION VIII:** Beth Merkle made a motion to adjourn. Approved unanimously. The meeting was adjourned at 4:04pm.

Next Council Meeting: Wednesday, November 2 at NYLA Annual Conference from 11:00am.
