STATE OF NEW YORK

7021
2021-2022 Regular Sessions

IN ASSEMBLY

April 21, 2021

Introduced by M. of A. JEAN-PIERRE -- (at request of the State Education Department) -- read once and referred to the Committee on Libraries and Education Technology

AN ACT to amend the education law, in relation to state aid eligibility for library construction, and to streamline and modernize certain library aid formulas and program requirements

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 1 of section 273-a of the education law, as amended by chapter 120 of the laws of 2020, is amended to read as follows:

  1. State aid shall be provided for up to fifty percent of the total project approved costs, excluding feasibility studies, plans or similar activities, for projects for the installation and infrastructure of broadband services, and for the acquisition of vacant land and the acquisition, construction, renovation or rehabilitation, including leasehold improvements, of buildings of public libraries and library systems chartered by the regents of the state of New York or established by act of the legislature subject to the limitations provided in subdivision six of this section and upon approval by the commissioner, except that state aid may be provided for up to seventy-five percent of the total project approved costs for buildings of public libraries that are located in an economically disadvantaged community and that state aid may be provided for up to ninety percent of the total project approved costs for buildings of public libraries that are located in an economically distressed community. Provided however that the state liability for aid paid pursuant to this section shall be limited to funds appropriated for such purpose. Aid shall be provided on approved expenses incurred during the period commencing July first and ending June thirtieth for up to [three] four years, or until the project is completed, whichever occurs first. Provided, however, that public libraries that

1 received aid for projects pursuant to this section commencing July
2 first, two thousand seventeen through July first, two thousand nineteen
3 and are unable to complete such projects due to the state disaster emergency declared pursuant to executive order number two hundred two of two thousand twenty, as amended, shall be provided an additional twelve months from the statutory project end date to complete such projects. Fifty percent of such aid shall be payable to each system or library upon approval of the application by the department. Forty percent of such aid shall be payable in the next state fiscal year. The remaining ten percent shall be payable upon project completion.

§ 2. Subdivision 1 of section 273-a of the education law, as separately amended by chapters 381 and 389 of the laws of 2019, is amended to read as follows:

1. State aid shall be provided for up to fifty percent of the total project approved costs, excluding feasibility studies, plans or similar activities, for projects for the installation and infrastructure of broadband services, and for the acquisition of vacant land and the acquisition, construction, renovation or rehabilitation, including leasehold improvements, of buildings of public libraries and library systems chartered by the regents of the state of New York or established by act of the legislature subject to the limitations provided in subdivision six of this section and upon approval by the commissioner, except that state aid may be provided for up to seventy-five percent of the total project approved costs for buildings of public libraries that are located in an economically disadvantaged community and that state aid may be provided for up to ninety percent of the total project approved costs for buildings of public libraries that are located in an economically distressed community. Provided however that the state liability for aid paid pursuant to this section shall be limited to funds appropriated for such purpose. Aid shall be provided on approved expenses incurred during the period commencing July first and ending June thirtieth for up to [three] four years, or until the project is completed, whichever occurs first. Fifty percent of such aid shall be payable to each system or library upon approval of the application by the department. Forty percent of such aid shall be payable in the next state fiscal year. The remaining ten percent shall be payable upon project completion.

§ 3. Section 273 of the education law, as amended by section 3 of part A of chapter 57 of the laws of 2005, subdivision 7 as amended by chapter 362 of the laws of 2013, subdivision 11 as added by section 3 of part A5 of chapter 58 of the laws of 2006, and subdivision 12 as amended by section 3 of part A of chapter 58 of the laws of 2011, is amended to read as follows:

§ 273. Apportionment of state aid to libraries and library systems. 1. Any public library system providing service under an approved plan of a public library system for the installation and infrastructure of broadband services, and for the acquisition of vacant land and the acquisition, construction, renovation or rehabilitation, including leasehold improvements, of buildings of public libraries shall be entitled to receive during that calendar year state aid consisting of the following amounts:

a. An annual grant of:

(1) Ten thousand dollars where the library system serves less than one county, or
(2) Twenty thousand dollars where the library system serves one entire county, or
(3) Where the library system serves more than one county the system shall be entitled to receive twenty-five thousand dollars for each entire county served and/or ten thousand dollars for each county, any part of which is served by the library system. If an entire county is served by two or more library systems, each of which serves a part thereof, each of such library systems shall be entitled to receive a grant of ten thousand dollars and in addition, a pro rata share of an additional sum of ten thousand dollars, such share to be computed in accordance with the ratio which the population of the area of the county served by such library system bears to the total population of the county, as determined under subdivision one of section two hundred seventy-two of this article.

b. In a library system which submits a plan for further development of [its central library] and access to central library services, which plan shall be approved by the commissioner [in relation to standards for such central libraries] pursuant to the commissioner's regulations, the amount of central library [development] services aid shall be:

(1) thirty-two cents per capita of the population within the chartered area of service of such library system with a minimum amount of one hundred five thousand dollars, and
(2) an additional seventy-one thousand five hundred dollars [to the library system for the purchase of books and materials including nonprint materials, as defined in regulations of the commissioner, for its central library].

(3) Ownership of library materials and equipment purchased with such central library services aid provided by this paragraph shall be vested in the public library system.

c. The sum of [ninety-four] one dollar and sixty-two cents per capita of population of the area served.

d. [(1)] An amount equal to the amount by which expenditures by the library system for books, periodicals, binding and nonprint materials during the preceding fiscal year exceeds forty cents per capita of population of the area served but the total apportionment pursuant to this subparagraph shall not exceed sixty-eight cents per capita of population served. In the first year in which any library system changes its reporting from the calendar year to a fiscal year other than the calendar year, it shall file any additional reporting schedules deemed necessary by the commissioner for the purpose of determining state aid for the calendar year.

[(2)] Each public library system with an automation program to support bibliographic control and interlibrary sharing of information resources of member libraries, and to coordinate and integrate the automated system or systems of such member libraries consistent with regulations of the commissioner, shall be eligible to receive an amount equal to [seven] two and nine hundred thirty-eight thousandths percent of the amount earned in [subparagraph one of this paragraph (c) of this subdivision], or seventy-six thousand five hundred dollars, whichever is more.

e. The sum of fifty-two dollars per square mile of area served by the
library system in the case of library systems serving one county or less. Such sum shall be increased by five dollars for each additional entire county served, provided, however, that no apportionment pursuant to this paragraph shall exceed seventy-two dollars per square mile of area served. If an entire county is served by two or more library systems, each of which serves a part thereof, each of such library systems shall be entitled to receive, in addition to the aid computed in accordance with the foregoing provisions of this paragraph, a pro rata share of an increase of five dollars to be computed as follows: the sum resulting from the computation of five dollars per square mile of area served by the one of such library systems which would receive the largest amount of aid pursuant to this paragraph shall be pro rated among

A. 7021

the library systems serving such county in accordance with the ratio which the population of the area served by each of such library systems bears to the population of the county as determined under subdivision one of section two hundred seventy-two of this article.

f. (1) Local library services aid. Except in cities with a population in excess of one million inhabitants, each chartered and registered public and free association library meeting standards of service promulgated by the commissioner, and each public or free association library serving a city with a population of one hundred thousand or more which merged with the public library system on or before January first, nineteen hundred seventy-six and which meets standards of service promulgated by the commissioner, shall be eligible to receive annually thirty-one cents per capita of the population of the library's chartered service area as on file with the commissioner on January first of the calendar year for which aid is payable, or, thirty-one cents per capita of the population of the city with a population of one hundred thousand or more whose public or free association library merged with the public library system on or before January first, nineteen hundred seventy-six, with a minimum amount of one thousand five hundred dollars, except that no library shall receive less than the amount of local library services aid received in two thousand one. Regulations of the commissioner shall provide a method for establishing changes in chartered service areas or determining populations thereof. Local library services aid shall be paid to the system for distribution within thirty days of receipt to its member libraries in accordance with this subdivision. Notwithstanding any contrary provisions of this subparagraph, the commissioner shall establish procedures under which a public or free association library may apply for a waiver of the requirements of the standards of service; provided, however, that any such waivers may only be granted in the same year in which the commissioner has apportioned a reduction adjustment.

(2) Local services support aid. Except in cities with a population in excess of one million inhabitants, each public library system operating under an approved plan of service shall be eligible to receive annually local services support aid equal to two-thirds of the total dollar amount paid in local library services aid to the member libraries of the system plus thirty-one cents per capita of the system's population who do not reside within the chartered service area of a member library.

(3) Local consolidated systems aid. In cities with a population in
excess of one million inhabitants, each public library system operating under an approved plan of service shall be eligible to receive annually: (i) thirty-one cents per capita of the population served by the system, but not less than the amount of local library incentive aid received in nineteen hundred ninety as reported on the library's nineteen hundred ninety-one annual report; and (ii) an additional amount equal to two-thirds of the total dollar amount computed for the system pursuant to clause (i) of this subparagraph.

g. In addition to the sums otherwise provided in paragraphs a, b, c, d, e, f, h and i of this subdivision, the New York Public Library shall receive an amount equal to its actual expenditures for books, periodicals and binding for its research libraries which expenditures are not otherwise reimbursed, or seven hundred sixty-seven thousand dollars, whichever is less, and the additional sum of five million six hundred forty-nine thousand dollars for the general support of its research libraries. In addition to any other sums provided to such library, the sum of two million dollars shall be payable annually to the New York Public Library for the general support of library services provided by the New York Public Library to the students of the City University of New York and the sum of one million dollars shall be payable annually to the New York Public Library for the general support of its science, industry and business library.

h. (1) Coordinated outreach services. Each public library system which provides coordinated outreach services, as defined by regulations to be promulgated by the commissioner, to persons who are educationally disadvantaged or who are members of ethnic or minority groups in need of special library services, or who are unemployed and in need of job placement assistance, or who live in areas underserved by a library, or who are blind, physically disabled, have developmental or learning disabilities, or who are aged or confined in institutions, or who are at-risk youth from birth to age twenty-one, shall be entitled to receive annually forty-three thousand dollars and thirteen cents per capita of the total population of the area served.

(2) [Adult literacy grants. The commissioner shall award annual grants for approved expenses for library-based programs conducted by public library systems and public and free association libraries which are members of a public library system to assist adults to increase their literacy skills. The commissioner shall award such grants having determined that such programs are being operated in direct coordination with local public schools, colleges and other organizations which are operating similar adult literacy programs. Annual state aid of two hundred thousand dollars shall be awarded for grants in accordance with regulations promulgated by the commissioner. Ninety percent of the amount of any such adult literacy grant shall be payable to the library or system upon approval by the department. The final ten percent shall be payable upon completion of the project.]

(3) Family literacy grants. The commissioner shall award annual grants for approved expenses for library-based family literacy programs for
pre-school and school age children and their parents conducted by public
library systems and public libraries and free association libraries
which are members of a public library system. Annual state aid of three
hundred thousand dollars for grants shall be awarded in accordance with
regulations promulgated by the commissioner. Ninety percent of the
amount of any such family literacy grant shall be payable to the library
or system upon approval by the department. The final ten percent shall
be payable upon completion of the project.] In addition, each system
serving a population of two million inhabitants or more shall receive an
additional amount of forty-six thousand three hundred thirty-three
dollars and each system serving a population of four hundred thousand
inhabitants and less than two million inhabitants shall receive an addi-
tional amount of twenty-three thousand dollars and each system serving a
population of less than four hundred thousand inhabitants shall receive
an additional amount of fourteen thousand dollars.

i. In addition to any other sums provided for such purposes, the New
York Public Library shall receive annually the sum of seven hundred
thirty-four thousand dollars for the program of the Schomburg center for
research in black culture, and the additional sum of nine hundred eight-
y-four thousand dollars for the program of the library for the blind and
physically handicapped.

j. In addition to any other sums provided to such library, the sum of
two hundred fifty thousand dollars shall be paid annually to the New

York Historical Society for making its library services available to the
public.

k. In addition to any other sums provided to such library the sum of
three hundred fifty thousand dollars shall be payable annually to the
Brooklyn Public Library for its business library for each calendar year.

l. In addition to any other sums provided to such library, the sum of
fifty thousand dollars shall be payable annually to the Buffalo and Erie
County Public Library for a continuity of service project approved by the
commissioner for each calendar year.

m. In addition to any other sums provided to such library system, the
sum of thirty thousand dollars shall be payable annually to the Nassau
library system for a continuity of service project approved by the
commissioner for each calendar year.

n. The minimum annual grant available to a library system under par-
graphs a, c and e [and subparagraph one of paragraph e] of this subdivi-
sion shall be six hundred seventy-five thousand dollars.

2. Within the amounts appropriated therefor moneys paid out pursuant
to this section shall be paid out of the state treasury on vouchers
certified by the commissioner after audit by and upon the warrant of the
comptroller.

3. The commissioner may waive the requirement that a public library
system serve an entire county to earn the maximum annual grant under
subparagraphs two and three of paragraph a of subdivision one of this
section and paragraphs b, c, e and h of subdivision one of this section
where the commissioner deems reasonable effort has been made by the
system to encourage membership by all libraries in the county.

4. Reference and research library resources system. a. (1) Any refer-
ence and research library resources system providing service under an
approved plan during a calendar year shall be entitled to receive annual
state aid consisting of an annual grant of:

(i) Two hundred seventy thousand dollars plus the sum of one
dollar and fifty cents per square mile of area served plus the sum of
six cents per capita of the population of the area served; and

(ii) Two hundred thousand dollars plus the sum of two cents per capita
of the population of the area served.

(2) Each system may annually appropriate funds received under this
provision subdivision to obtain matching funds from the National
Endowment for the Humanities [in the United States Newspaper Program]
and other federal programs.

(3) The annual amount payable to each approved system under this para-
graph shall be payable on or before July first, provided that, upon
receipt of annual system activity reports satisfactory to the commis-
sioner, the commissioner shall determine the amount of any under- or
overpayments and shall apply such adjustment to the next annual payment
due such system.

b. The commissioner is hereby authorized to expend up to five hundred
six thousand dollars annually in each state fiscal year to provide
formula grants to approved reference and research library resources
systems for provision of consumer health and medical information
services for all types of libraries and library systems. Such grants
shall assist libraries in providing access to timely and accurate
medical and health information for medical personnel and for the general
public. In addition to any other sum provided in this subdivision, each
reference and research library resources system providing service under
an approved plan with a consumer health and medical library information
services program for all types of libraries and library systems shall be

eligible to receive an annual formula grant. Such formula grants shall
be determined on the basis of criteria to be prescribed by the commis-
sioner. The commissioner shall provide the annual amount payable to each
approved system under this paragraph in the following manner:

(1) Funds shall be available to each reference and research library
resources system in such manner as to insure that the ratio of the
amount each system is eligible to receive equals the weighted ratio of
the total number of institutions as defined in subparagraph two of this
paragraph in the region served by the system to the total number of such
institutions in the state.

(2) For the purposes of determining the amount of funds available to
each system, institutions and their weightings are as follows:

(i) not-for-profit hospitals licensed by the New York state health
department, with a weighting of two;

(ii) for-profit teaching hospitals licensed by the New York state
health department, with an additional weighting of one; and

(iii) member institutions of a reference and research library
resources system, excluding public and hospital libraries, with a
weighting of one.

c. (i) The commissioner is hereby authorized to expend up to one
million three hundred ninety-six thousand dollars in each state fiscal
year to provide formula grants to approved reference and research
library resources systems for provision of services to member hospital
libraries in not-for-profit hospitals licensed by the New York state
health department, or to member libraries serving such hospitals. Such
formula grants shall be determined on the basis of criteria to be devel-
oped by the commissioner and shall assist member hospital libraries or
member libraries serving hospitals in meeting the standards established
by the regents in accordance with section two hundred fifty-four of this
article. Such formula grants shall support integration of member hospi-
tal libraries or member libraries serving hospitals into existing
networks.

(2) The commissioner shall provide grants to the reference and
research library resources systems in the following manner:
(a) an amount equal to seventy-five cents per square mile of area
served by the reference and research library resource system in further-
ance of the purposes of this paragraph, and
(b) the remainder for library services to hospitals in accordance with
regulations of the commissioner adopted for such purpose.

5. Coordinated collection development program for public and nonprofit
independent colleges and universities.

a. Libraries of public and nonprofit independent colleges and univer-
sities are entitled to receive annual funding for a coordinated
collection development grant if they meet the following conditions:
(1) Membership in a reference and research library resources system,
(2) Their resources are made available to the public, through full
participation in the interlibrary loan and other resource sharing
programs of the reference and research library resources system of which
they are members, and
(3) They meet the requirements set forth in regulations adopted by the
commissioner including but not confined to
(a) maintenance of effort,
(b) relationships between reference and research library resources
systems' programs and the regional higher education master plan,
(c) submission of interlibrary loan statistics, and such other reports
as may be required by the commissioner.

b. Public and nonprofit independent colleges and universities with
libraries which meet the criteria of paragraph a of this subdivision are
eligible for annual grants as follows:
(1) Four thousand four hundred dollars for each institution, and
(2) One dollar and four cents for each full-time equivalent student
enrolled in each qualifying institution, in the academic year completed
prior to the state fiscal year. For purposes of this section, a full-
time equivalent shall be calculated as follows:
(i) one full-time undergraduate student shall be considered one full-
time equivalent student;
(ii) one part-time undergraduate student shall be considered one-third
of a full-time equivalent student;
(iii) one part-time graduate student shall be considered one full-time
equivalent student; and
(iv) one full-time graduate student shall be considered one and one-
half of a full-time equivalent student.

c. Funds for the support of this program shall be appropriated to the department, except that funds for the state-operated institutions of the state university of New York and the senior colleges of the city university of New York, shall be appropriated to the state university of New York out of any moneys in the state treasury in the general fund to the credit of the state purposes fund not otherwise appropriated, and funds shall be appropriated to the city university of New York out of any moneys in the state treasury in the general fund to the credit of the local assistance fund not otherwise appropriated, and shall be subject to the same distribution formula as provided in paragraph b of this subdivision.

6. [Regional bibliographic data bases and interlibrary resources sharing. a. The commissioner shall award annually to each of the approved nine reference and research library resources systems, from funds appropriated by the legislature for an annual grant for an automation program (i) to support bibliographic control and interlibrary sharing of information resources among all types of libraries and library systems in an area not less than that of a reference and research library resources system, and (ii) to coordinate and integrate the automated systems of the component member public library system or systems, school library system or systems and other automated systems within the area of the reference and research library resources system. Each reference and research library resources system of such region shall be entitled to an annual grant of two hundred thousand dollars plus the sum of two cents per capita of the population served.]

[b. To be eligible for a grant, each reference and research library resources system shall meet the requirements set forth in regulations adopted by the commissioner which shall include standards relating to library automation, continuous development of the data base, and updating, access and linking of the data base programs. Each reference and research library resources system shall include in its approved plan of service a description of a regional library automation program, which shall include all library systems in the region that are members of the reference and research library resources system.]

[7.] Conservation and preservation of library research materials. a. The commissioner shall award in any state fiscal year, an annual formula grant of one hundred fifty-eight thousand dollars for a program of conservation and/or preservation of library research materials to each of the following comprehensive research libraries: Columbia university libraries, Cornell university libraries, New York state library, New York university libraries, university of Rochester libraries, Syracuse university libraries, the research libraries of the New York public library, state university of New York at Albany library, state university of New York at Binghamton library, state university of New York at Buffalo library, and state university of New York at Stony Brook library.

b. To be eligible for such formula grants, each such comprehensive research library must submit both a five-year plan and an annual program budget. The plan must satisfy criteria to be established by the commis-
sioner in regulations relating to the identification of library research materials, the need for their preservation, and the means of their conservation.

c. Other agencies and libraries, as defined in regulations promulgated by the commissioner, which are not eligible for funding under paragraph a of this subdivision, may receive separate grants the sum of which shall not exceed five hundred thousand dollars in any state fiscal year to support the preservation and/or conservation of unique library research materials. Such agencies and libraries shall submit project proposals. Approval of such project proposals, and determination of funding level, shall be based upon, but not limited to, factors such as: the research value of materials to be preserved and/or conserved; appropriateness of conservation and preservation techniques in accordance with statewide planning and national standards; institutional capacity for successful completion of the project, including facilities, experience, and technical expertise; availability of staff with appropriate training and expertise; contribution of the institution to the project in matching funds and staff resources; and the volume of interlibrary lending and access to holdings by the public. Ninety percent of each such grant shall be payable upon approval by the department and the remaining ten percent shall be payable upon project completion.

d. Funds made available under the provisions of this section may be used by comprehensive research libraries and other agencies eligible for funding to obtain matching funds from the national endowment for the humanities preservation program and other federal programs.

e. The commissioner shall establish an office for coordination of conservation and/or preservation of library research materials to identify the conservation and/or preservation needs of libraries within the state, to assess the technology available for such conservation and preservation, and to coordinate the conservation and preservation efforts resulting from this legislation.

7. New York state talking book and braille library. The New York state talking book and braille library shall be entitled to receive annually an amount equal to the product of the aid ceiling multiplied by the number of registered borrowers of such materials of such library as of the November report for the November immediately preceding the state fiscal year for which the payment will be made. Such amount shall be used to improve the quality of services provided to such borrowers. For aid payable in each state fiscal year, the aid ceiling per registered borrower shall be nineteen dollars. Notwithstanding any other provision of law, the New York state talking book and braille library shall be the successor in interest to the New York state library for the blind and visually handicapped for all purposes, or the library for the blind and physically handicapped, and the change in name shall not affect the rights or interests of any party. Except where the context indicates a contrary intent, any reference in any other general or special law to the New York state library for the blind and visually handicapped or the New York state library for the blind and physically handicapped shall be deemed a reference to the New York state talking book and braille library.
services at The Center for Jewish History, Inc. a. In addition to any
other sums provided to The Center for Jewish History, Inc., the commis-

sioner shall award in any state fiscal year an annual grant of two
hundred thousand dollars for a coordinated program of library and
archival services that will increase public access to the library and
archival collections of The Center for Jewish History, Inc. and its
member institutions.

b. The Center for Jewish History, Inc. is hereby admitted to the
University of the State of New York and shall, as a condition of contin-
ued receipt of aid, maintain such status in accordance with regulations
of the commissioner. Such regulations may include submission of a five-
year plan and annual program budget.

[10.] 9. State aid for summer reading programs. The commissioner is
hereby authorized to expend the funds of the love your library fund,
established in section ninety-nine-l of the state finance law, which
shall provide grants for participation in statewide summer reading
programs as coordinated by the state library to public library systems
on the basis of criteria to be developed by the commissioner. Upon a
determination by the commissioner that there is adequate revenue avail-

able for a grant program in the upcoming fiscal year, grants shall be
awarded as follows:

a. sixty percent of the funds appropriated pursuant to this section
shall be made available to public library systems for use by member
libraries by the commissioner in such manner as to insure that the ratio
of the amount received within each system to the whole of the aid made
available pursuant to this paragraph is no greater than the ratio of the
population served by such system to the population of the state; and

b. forty percent of the funds appropriated pursuant to this section
shall be made available to library systems for use by their member
libraries within each system by the commissioner in such manner as to
insure that an equal amount is received within each system in the state.

[11.] 10. Notwithstanding any other provision of law to the contrary,
each year commencing with the two thousand six calendar year, no library
or library system shall receive less aid pursuant to this section or
section two hundred seventy-one or two hundred seventy-two of this part
than it would have been eligible to receive for the two thousand one
calendar year solely by reason of a decrease in the population of the
area served as a result of the latest approved federal census.

[12.] 11. The commissioner is hereby authorized to expend funds annu-
ally for formula grants to public library systems, reference and
research library resources systems, and school library systems operating
under an approved plan of service. Such formula grants shall be provided
for the period commencing July first and ending on June thirtieth next
following. Such formula grants will be distributed in the following
manner:

a. Each public library system established pursuant to sections two
hundred fifty-five and two hundred seventy-two of this part and operat-
ing under a plan approved by the commissioner is entitled to receive
annually thirty-nine thousand dollars and an amount equal to ten and
ninety-four hundredths percent of the amount of state aid received for
the current year by such system under paragraphs a, c, d, e and n of
subdivision one of this section;
b. Each reference and research library resources system established pursuant to section two hundred seventy-two of this part and operating under a plan approved by the commissioner is entitled to receive annually thirty-nine thousand dollars and an amount equal to ten and ninety-four hundredths percent of the amount of state aid received for the current year under clause (i) of subparagraph one of paragraph a of subdivision four of this section; and
c. Each school library system established pursuant to section two hundred eighty-two of this part and operating under a plan approved by the commissioner is entitled to receive annually thirty-nine thousand dollars and an amount equal to ten and ninety-four hundredths percent of the amount of state aid received for the current year by such system under paragraphs a, b, c, d, e and f of subdivision one of section two hundred eighty-four of this part.
§ 4. This act shall take effect April 1, 2021; provided, however, if this act shall become a law after such date it shall take effect immediately and shall be deemed to have been in full force and effect on and after April 1, 2021; provided, that the amendments to subdivision 1 of section 273-a of the education law made by section one of this act shall be subject to the expiration and reversion of such subdivision pursuant to section 2 of chapter 498 of the laws of 2011, as amended, when upon such date the provisions of section two of this act shall take effect; and provided, further, that sections one and two of this act shall be deemed to have been in full force and effect on and after April 1, 2020.
