Voorheesville Celebrates

Bond with Family &
Friends!

Hey Voorheesville Families!

Take some time out to be screen free during National Screen Free Week from April 29-May 5th. Let's make this a whole family event and get our community together for some fun! To participate, you'll commit to using screens only for school or work, but not entertainment. Don't worry, entertainment is provided! See attached calendar of events for ways to participate. Can't make it to events? No problem. You can participate any way you choose. Each day (Monday- Friday), students have an opportunity to be entered in a drawing for great prizes! To be eligible, refrain from screens all day, fill out the attached ticket, have an adult sign and turn in your tickets to the elementary teacher by Monday, May 6th.

Middle and high schoolers – turn in your tickets in the bins by the main offices by May 6th. Winners will be notified by May 13th.

Today is a gift.....That's why it's called the present!

This flyer is distributed to Voorheesville students as a community service to students and parents for information purposes only. This program is not affiliated with nor endorsed in any way by the Voorheesville School District.
